RECOVERY IS POSSIBLE

★ AND IT ROCKS! ★

From all of us at My Recovery Day we wish you safety and peace during these difficult times as our country gets back to normal. We remain especially grateful to our volunteers, staff, donors and Board for keeping the doors open to give our organization the opportunity to continue to serve individuals in recovery. These are the individuals that need our help the most. As isolation, social distancing and business closings may have been good to slow the spread of the pandemic, it was devastating to individuals in recovery and those in the throes of addiction. Relapse, overdose and suicide seem to be the norm fueled by the isolation, anxiety and economic uncertainty of these times.

YOU CAN HELP US MAKE A DIFFERENCE in the lives of recovering individuals by becoming a sponsor, at any level, for the My Recovery Day Jam 2022 at the Rock Hall on Saturday, November 12, 2022. Recovery started in NE Ohio and so did Rock N' Roll. What a spectacular combination and venue we have planned: **LIVE MUSIC AT THE ICONIC ROCK HALL STREAMED ACROSS THE INTERNET**, fabulous food along with notable raffle baskets and high-end brand auctions ending on eBay between bands! Not only will JAM 2022 raise money and awareness for the programs offered by My Recovery Day but it will give your organization unprecedented exposure at a local and national level to show your support.

My Recovery Day's mission is to develop and provide follow-up support resources to individuals recovering from Substance Use Disorders giving them the help and hope they need for sustainable recovery. Our vision for every individual in addiction recovery is to stay in recovery allowing God to work through their lives providing them with purpose and passion. Together we will show the world that there is no shame in being in recovery; you can have fun; and there is a community that believes and will support you.

Your willingness to help My Recovery Day directly results in improving our communities' abilities to reduce the stigma associated with Substance Use Disorders, thereby encouraging more individuals to seek help. Our programs provide resources to individuals that are beginning their recovery journeys with free items of everyday living and skills that economically empower them along with an app that digitally connects and supports them. Be part of someone's recovery journey and become a sponsor. We, and those we serve, sincerely appreciate your generosity.
